Summary

Instructional designer and learning leader with 17 years of experience in training and development, most recently building customer education for a vertical SaaS platform. Designs and publishes learner-centered eLearning using Articulate Rise 360 and Storyline, SCORM, and LearnUpon. Modernized a legacy course library, launched a six-course customer onboarding program, and developed customer-facing and internal training for new product releases, earning average learner ratings of 4.95+ out of 5. Experienced in ADDIE, adult learning, assessment design, AI-assisted authoring, team leadership, and large-scale training rollouts.

Skills & Abilities

- **ADDIE Method & Instructional Design**
- **Articulate Rise 360 & Storyline**
- **SCORM Packaging & Course Publishing**
- **LMS Administration (LearnUpon)**
- **Customer Education & Onboarding Content**
- **Assessment & Knowledge Check Design**
- **AI-Assisted Authoring & Prompt Engineering**
- **SME & Stakeholder Collaboration**
- **Change Management & Software Rollout Training**
- **Project Tracking (Monday.com)**

Experience

Fullbay

Customer Learning Experience Lead **|** *September 2025 – October 2026*

- Modernized a legacy eLearning library by migrating 10 outdated Storyline courses to updated Rise 360 courses
- Designed and built **Single User Shop Essentials**, a six-course customer onboarding program for small, single-user shops, including the program agenda, per-module knowledge checks, and a capstone assessment
- Scoped, designed, and built customer-facing and internal versions of two new-product courses (Foundations, Parts), auditing content to remove internal-only material and rewriting course voice to speak directly to the customer
- Maintained average learner survey ratings of 4.95+ out of 5 across published courses, with consistently high completion rates
- Built an interactive Storyline simulation for every course in the library migration, embedded in Rise so learners can practice workflows safely
- Served as primary LMS administrator (LearnUpon): enrollments, SCORM publishing, assessments, reporting, troubleshooting, and weekly new-hire account provisioning
- Built role-specific assessment tracks (Support, Onboarding, Customer Success, Sales) from a single shared question bank, ensuring consistent, equitable evaluation across teams
- Ran a multi-pass QA process (language edit, build-sheet cross-check) with Flesch-Kincaid readability scoring; coordinated SME reviews in Google Docs and Slack and tracked milestones in Monday.com
- As L&D's AI Champion, created a 15-prompt resource for instructional design workflows across 8 categories (course outlines, objectives, Rise storyboards, knowledge checks, QA reviews, stakeholder updates), with guardrails for human review, source accuracy, and reading level

Alight Solutions

Learning Specialist **|** *May 2021 – February 2025*

- Applied ADDIE to design and deliver training for HRIS, telephony, and account management systems across client sites
- Created customer-facing job aids, quick reference guides, and eLearning modules in Rise 360 and Storyline to drive adoption
- Partnered with IT, PMO, and client stakeholders to align training with project milestones; modernized legacy training programs to meet evolving client needs
- Improved user adoption and reduced system-related errors by 15%; monitored effectiveness through surveys, assessment scores, and user performance data to drive continuous content improvement
- Led a train-the-trainer course that certified 12 new offshore facilitators, ensuring consistent training delivery across locations
- Built a trainer evaluation process and peer feedback practice to strengthen instructional quality

DISH Network

Training Manager **|** *June 2018 – November 2020*

- Led a team of trainers designing blended learning programs (eLearning modules, workshops, job aids) for customer service, smart home technology, and installation
- Overhauled in-person curriculum and transitioned it to a fully virtual, online format while maintaining engagement and learning outcomes
- Built standardized onboarding and continuous learning curricula, decreasing new-hire ramp-up time by 25%
- Partnered with quality assurance and customer experience teams, using KPIs and performance data to improve content and service standards

In-Home Services Trainer **|** *May 2016 – June 2018*

- Designed technical and customer service training and launch materials for field technicians representing DISH, Samsung, Amazon, Bosch, and Google Nest
- Assessed performance trends with regional managers and operations/quality teams to identify skill gaps and recommend targeted training interventions

Customer Experience Trainer **|** *October 2008 – May 2016*

- Developed job aids, call guides, and reference materials, and contributed to curriculum updates for new tools, procedures, and policies
- Aligned training with QA and performance metrics, evaluating effectiveness through surveys, performance reviews, and agent outcomes
- Served as a peer coach for new trainers

Certifications

- **Training and Facilitation Certificate** – Association for Talent Development (ATD), September 2021
- **Generative AI: Skills & Tools for Educators** (AI0284EN) – IBM / edX, October 2026
- **Introduction to Prompt Engineering** (AI0131EN) – IBM / edX, October 2026
- **Introduction to Generative AI** (AI0121EN) – IBM / edX, July 2026

Professional Development (2025–2026)

- **Articulate Rise 360+** (two-session virtual course) – Yukon Learning, January 2026
- **Articulate Training:** AI Assistant in Rise and Storyline, Accordion Interactions in Storyline 360, and Creator's Guide to the New Articulate 360
